

Privacy Policy

Provisions on Data Protection GDPR

1. PURPOSE OF THE REGULATIONS

The purpose of these Regulations is to be recorded by Prop-tech Kft. (headquarters: 2509, Esztergom-kertváros, company registration number: 01-09-890656, registration authority: Komárom-Eszterom County Court as company court, tax number: 13850829-2-11) applied data protection and data management principles and the Company's data protection and data management policy.

During the operation of the website www.prop-tech.hu (hereinafter: Website), Prop-tech Kft. (hereinafter: Service Provider) manages the data of visitors to the Website, those who register on the Website, and those customers (hereinafter collectively, the Data Subject).

The purpose of these Regulations is to ensure that in all areas of services provided by the Service Provider, for all individuals, regardless of their nationality or place of residence, their rights and fundamental freedoms, especially their right to privacy, are respected during the machine processing of their personal data (data protection).

2. NAME OF THE SERVICE PROVIDER AS DATA PROCESSOR

Name: Prop-tech Ltd

Headquarters and mailing address: Hungary, 2500, Esztergom-kertváros, Motorsport u. 1

Phone number: +36 30 267 03 36

Email address: csaba@prop-tech.hu

3. SCOPE OF PROCESSED PERSONAL DATA

3.1. Registration.

During registration, the Data Subject must provide the following personal data:

own e-mail address,

password,

3.2. Order. To fulfill orders, you must provide the following personal data:

Username,

billing address (billing name, street name, house number, settlement, postal code),

telephone number

Products purchased by the User when ordering, the method of receipt and payment used by the User, the total amount of the User's purchases

3.3. Technical data

Data that is technically recorded during the operation of the system: the data of the data subject's computer that is generated during the use of the service and which is recorded by the Service Provider's system as an automatic result of the technical processes. The data that is automatically recorded is automatically logged by the system upon entry or exit without a separate declaration or action by the Data Subject. These data cannot be combined with other personal user data - except in cases made mandatory by law. Only the Service Provider has access to the data.

3.4. Cookies

During visits to the Website, the Service Provider sends one or more cookies - i.e. a small file containing a series of characters - to the visitor's computer, through which their browser can be uniquely identified. These cookies are provided by Google and are used through the Google Adwords system. These cookies are only sent to the visitor's computer when certain sub-pages are visited, so we only store the fact and time of visiting the given sub-page, no other information.

The cookies sent in this way are used as follows: External service providers, including Google, use these cookies to store if the Data Subject has previously visited the advertiser's website, and based on this, external service providers - including the Google - on the websites of its partners. The Data Subject can disable Google cookies on the page for deactivating Google ads. (You can also indicate to the Data Subject that cookies from third-party providers can be disabled on the Network Network Advertising Initiative opt-out page.)

After blocking, personalized offers from the Service Provider will not appear for them.

Used cookies:

Temporary (session) cookie: session cookies are automatically deleted after the Data Subject's visit. These cookies are used to make the Website of the Service Provider work more efficiently and more securely, so they are essential for certain functions of the Website or certain applications to work properly.

Persistent cookie: the Service Provider also uses persistent cookies for a better user experience (e.g. providing optimized navigation). These cookies are stored for a longer time in the cookie file of the browser. The duration of this depends on what setting the Data Subject uses in his internet browser.

Cookie used for a password-protected session.

Cookie required for shopping cart.

Security cookie.

External servers assist in the independent measurement and auditing of the Website's visitor and other web analytics data (Google Analytics). The data controllers can provide the Data Subject with detailed information on the management of the measurement data. They can be reached at: www.google.com/analytics If the Data Subject does not want Google Analytics to measure the above data in the manner and for the purpose described, install the blocking add-on in his browser.

The "Help" function in the menu bar of most browsers provides information about whether in the browser

how to disable cookies,

how to accept new cookies or

how to give

3.5. Data management related to newsletters and basket abandonment letters

It is possible to subscribe to the newsletter at www.prop-tech.hu/webshop. In connection with the use of this option, the user subscribing to the newsletter transfers his personal data defined below to Prop-tech Kft. for processing in the context of voluntary data provision:

E-mail address

Behavioral habits related to newsletter reading

4. LEGAL BASIS, PURPOSE AND METHOD OF DATA MANAGEMENT

4.1. The data management of the Internet content on the www.prop-tech.hu website (hereinafter: Website) is based on the Data Subject's voluntary, properly informed statement, which statement contains the Data Subject's express consent to the fact that their

personal data provided during the use of the Website be used. The legal basis for data management is Act CXII of 2011 on the right to self-determination of information and freedom of information. TV. (Infotv.) Section 5 (1) According to point a), on the basis of the voluntary consent of the person concerned, and on certain issues of electronic commercial services and services related to the information society, CVIII of 2001. takes place on the basis of law. Consent is given by the Data Subject with regard to individual data management by using the Website, by registering, or by voluntarily providing the data in question.

4.3. The purpose of the automatically recorded data is to produce statistics, to improve the technical development of the IT system, and to protect the Data Subject's rights.

4.4. The Service Provider does not use or may use the personal data provided for purposes other than those stated in these points. The release of personal data to third parties or authorities - unless the law has otherwise binding force - is only possible with the prior express consent of the Data Subject.

4.5. The service provider does not check the personal data provided to him. The person providing the data is solely responsible for the adequacy of the data provided. When any Data Subject provides their e-mail address, they also assume responsibility for the fulfillment of the requirements, as well as data processing based on additional consents given during registration on the Website or in any other way.

5. In the case of a newsletter, the management of personal data from the newsletter, 8.4. lasts until unsubscribing in the manner specified in point

6. RANGE OF PERSONS WITH KNOWLEDGE OF THE DATA, DATA TRANSFER, DATA PROCESSING

6.1. The Service Provider and the Service Provider's internal employees are primarily entitled to know the data, but they are not published or passed on to third parties.

6.2. The Service Provider may use a data processor (e.g. system operator, transport company, accountant) for the operation of the underlying IT system, the fulfillment of orders, and settlement of accounts.

Name of data processors:

1. The Company may use a data processor in order to ensure the continuous and proper functionality of the website, to fulfill orders, and to carry out other activities closely related to the provision of online store services.

2. Name of data processors used by the company:

Company name

Headquarters

Activity

prop-tech.hu

Esztergom-kertváros, Szalézi u. 1

application development,
system operation

MPL logistics,

delivery

7. RIGHTS OF DATA PARTICIPANTS AND POSSIBILITIES OF RIGHTS ENFORCEMENT

7.1. The Data Subject is entitled at any time to request information about his/her personal data managed by the Service Provider, and may also modify them at any time in the manner specified in the General Terms and Conditions.

7.2. At the request of the Data Subject, the Service Provider provides information on the data it manages, the data processed by it or by the data processor commissioned by it, its source, the purpose, legal basis, and duration of the data processing, as well as the name, address and activities related to data processing, the data protection about the circumstances of the incident, its effects and the measures taken to prevent it, and - in the case of forwarding the Data Subject's personal data - about the legal basis and recipient of the data forwarding. The service provider shall provide the requested information in writing within 30 days of the submission of the request. The Service Provider - if it has an internal data protection officer, through the internal data protection officer - keeps a register for the purpose of checking the measures related to the data protection incident and informing the Data Subject, which includes the scope of the Data Subject's personal data, the scope and number of those affected by the data protection incident, and the date of the data protection incident, its circumstances, its effects and the measures taken to prevent it, as well as other data specified in the law that prescribes data management.

7.3. The data subject can exercise his rights at the following contact details: Mailing address: : Prop-tech kft. Kft. - 2509, Esztergom-kertváros, Szalézi u. 1, Customer service: 06-30-267-03-36 Affected by any question related to data management
